

BREAKING NEWS: PJTA AWARD WINNER

PJTA, a Civil Engineering and Architectural design consultancy based in St. Ives, Cambridgeshire are very pleased to acknowledge the success of Debbie Townsend, who received the "Hyde Minster Award for Part-time Studies in Construction" at a recent Excellence in Skills Award Ceremony held at the Park Crescent Campus at Peterborough Regional College (PRC).

Debbie who recently achieved a BTEC National Certificate in Civil Engineering with 12 straight Distinctions after 2 years of studying at Peterborough Regional College was very honoured to receive this award.

Debbie from PJTA comments "I would very much like to thank my tutors at PRC for their great support over the last 2 years and to Hyde Minster for kindly sponsoring this award. It just shows that women are more than capable of pursuing a career in civil engineering in what is seen, at times, as a male dominant industry"

Duncan Foster from Hyde Minster, a large housing association based in Peterborough City comments "We are delighted to sponsor this award and promote the raising of standards in the construction industry. We are pleased that Debbie won and wish her well in her future career. Her achievement shows that talented females have a great part to play in the success of the construction industry".
